For over 3 years, GoTrucker has focused on helping vendors connect with Trucking Companies and Drivers. We are more than just a website or print guide. GoTrucker is a results-oriented organization that can offer vendors multiple media products all geared to reach the trucking industry for you company.

Web

Through the use of our web address www.gotrucker.com and state-of-the-art web technology, thousands of national Trucking Companies, RV Drivers and Owner Operators locate repairs and services they may need **daily**.

Print

No medium is more accessible to a broader range of over-the-road travelers as print. Regardless of the situation, the print repair guide is always available. GoTrucker's network of targeted distribution makes it a simple and cost-effective way to reach the trucking industry any hour of the day, and day of the week. GoTrucker offers a custom downloadable Print Repair Guide at no cost to the trucking community.

GPS

GPS is a growing resource for truck drivers. GoTrucker has developed GPS software that allows truck drivers to search repairs & services from their GPS units.
